Boost-Gallery.com features an exquisite collection of uniquely uplifting art and handcrafted gifts. Each item is infused with creativity and is intended to encourage self-expression. Free gift packaging is provided with every purchase.

Atlanta, GA (PRWEB) November 18, 2005 -- In addition to the original work of Atlanta artists, [Boost-Gallery.com](http://www.boost-gallery.com) offers books, candles, soaps, bath scrubs, journals, meditation CDs, tea, and creative tools, and will add new products based on their uniqueness and positive qualities. Customers can buy individual items or pair items together to form an uncommon gift combination.

Boost Gallery provides free gift packaging with every purchase. Your gift arrives in Boost Gallery's signature "care package" – an oatmeal craft box tied with white twine. Included inside is a beautiful gift card. Customers can inscribe a personal message or choose one of Boost Gallery's pre-penned messages with a focus on Congratulations, Encouragement, Comfort, Gratitude, Inspiration, or Romance.

While women age 25-55, gravitate towards Boost-Gallery's art and handcrafted gift offerings men find Boost-Gallery the perfect online shopping experience when buying for the women in their lives.

Boost-Gallery.com began as a way for an Atlanta artist to gain greater exposure for her art and the work of fellow Atlanta artists. The Boost-Gallery mission is to offer handcrafted gifts, art, and creative tools that encourage kindness and creative self-expression.
