Marble Enthusiasts Launch New Website that Goes Way Beyond Marbles

TheMarbleStore.com caters to a diverse crowd - from avid collectors and recreational marble players to sophisticated designers and clever crafters. TheMarbleStore.com is so much more than marbles including original toy marble collector sets, stunning paperweights, gorgeous glass shapes (hearts, stars, leaves and more), timeless games and festive holiday décor.

Wichita, KS (PRWEB) April 28, 2006 -- If you want access to marbles of all sizes and colors as well as ideas about what you can do with marbles TheMarbleStore.com is the place to go.

A group of marble enthusiasts, who have many years experience in the marble and glass industries, started [theMarbleStore.com](http://www.themarblestore.com). Their Web site caters to a diverse crowd - from avid collectors and recreational marble players to sophisticated designers and clever crafters.

TheMarbleStore.com carries more than 100 styles of Toy & Decorative Marbles in several sizes and shapes, brilliant colors and unique designs.

But The MarbleStore.com goes beyond their name with so much more than marbles. There are glass accent gems for floral designs and sea glass for aquariums. Adults with a sense of nostalgia will love the retro marble games. And there are many choices of accent pieces for scrapbooking and craft projects. It is easy to get carried away while browsing thousands of unique toy and gift items, including original collector sets, stunning paperweights, gorgeous glass shapes (hearts, stars, leaves and more), timeless games and festive holiday décor.

We are continually adding new merchandise, so visit us often.
