

FOR IMMEDIATE RELEASE

Industry Leader in Floor, Wall, and Ceiling Restoration Launches new Website. Nationwide Restoration launches new website to assist general contractors and leaders in commercial industries.

Nationwide Restoration launches new website. Nationwide has quickly become the industry leader in floor restoration, wall restoration, and ceiling restoration and now serves nationally for companies such as Wal-Mart, Sam's Club, Home Depot, Lowe's, Best Buy & Target.

Carrollton, TX July 11, 2005 --- The new <http://www.nationwiderestoration.com/> [Nationwide Restoration website] provides online forms for communicating directly with Nationwide Restoration headquarters in Carrollton, TX. Founded in 2000 Nationwide Restoration began performing restoration for residential, local and small business customers. Through high quality work and competitive pricing along with keeping on top of the latest technological innovations, Nationwide Restoration has quickly become the industry leader in floor, ceiling, and wall restoration now serving nationally for companies such as Wal-Mart, Sam's Club, Home Depot, Lowe's, Best Buy & Target.

Rapid growth has necessitated a Nationwide Restoration online presence to present their <http://www.nationwiderestoration.com/services.html> [floor, ceiling, and wall restoration services] and enable prospects and customers to more easily convey their needs and requirements to Nationwide via <http://www.nationwiderestoration.com/contact.html> [online forms].

Nationwide Restoration is focused on being the first choice for most of America's top corporations, retailers and general contractors by facilitating the interaction between Nationwide Restoration and their customers.

In addition to technology Nationwide will continue to place an equal emphasis on safely and efficiently providing an excellent floor, ceiling, and wall restoration result to present a clean, safe and upscale shopping environment to their customers.
