

## FOR IMMEDIATE RELEASE

### **Customized Searches and Superior Visuals distinguish Online Classifieds and Online Employment Listings Website. Post-N-Buy was created to bring Ecommerce to local level.**

*Post-N-Buy is one of the fastest growing online classifieds and employment listings websites on the Internet. Unique site design makes the process of buying and selling goods and services as simple and efficient as possible.*

**San Diego, CA** July 11, 2005 --- Based in San Diego, CA Post-N-Buy.com was founded on the idea of bringing e-commerce to a local level. A unique site design enables users to browse and place <http://www.post-n-buy.com/cgi-bin/classifieds/classifieds.cgi> [online classified ads] and <http://www.post-n-buy.com/cgi-bin/jobs/classifieds.cgi> [online employment listings] as easily as placing an ad with a locally printed publication. However, unlike locally printed publications Post-N-Buy online classified ads and online employment listings are viewable nationwide. Users place their online classifieds and employment listings free of charge and Post-N-Buy makes the process of buying and selling goods and services easy and efficient.

Post-N-Buy.com gives users more control of the buying process and makes finding a product or service that meets their needs easier than ever. It is the ultimate solution for buying and selling goods and services or finding online employment listings and classifieds. "Rapid growth and increasing market share is making Post-N-Buy.com an up and coming player among online classified and employment listing websites", said Dion King, Post-N-Buy founder.

Post-N-Buy.com is constantly being updated to improve the look and feel of the site in order to make it easier to navigate. Users can browse the entire site or search specifically for what they are looking for in or out of their local area.

Post-N-Buy.Com is a continuous work in progress in order to optimize the efficiency of buying and selling goods and services online. Despite the many e-commerce sites available to Internet users Post-N-Buy sets itself apart by providing excellent customer service and a user friendly experience for placing and finding online classifieds and employment listings free of charge.

Along with the convenience that goes with using Post-N-Buy.Com is the comfort of knowing your personal information is being kept safe and secure at all times. All precautions are taken to ensure customer proprietary information is private and stays private.
